A hand-drawn wireframe of a web browser window. The browser's title bar says "A Web Page". The address bar shows "https://". The page header features "Title of the Company" on the left and a user profile icon on the right. A sidebar on the left contains four menu items: "Courses", "Assessment", "Metrics", and "Tools". The main content area is titled "Create Questionnaire". Below this title is a section labeled "Add Questions". This section contains a "Bulk Upload" area with a text input field containing the path "c:/users/desktop/questions_template.csv", a "Browse" button, and two links: "234 questions found" and "Download Sample". Below the bulk upload is a "Question 1" section. It includes a large text input field for the question, an "Option 1 (Answer)" input field, and a toggle switch that is currently turned on. Below the options are two plus signs in circles, indicating where to add more questions or options. At the bottom of the "Add Questions" section are two buttons: "Back to Basic Info" and "Create Questionnaire".

The image shows a hand-drawn wireframe of a web application interface. At the top, there's a browser-like header with navigation icons (back, forward, home, search) and a URL bar containing "https://". The main title area says "Title of the Company" with a user profile icon on the right.
